Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 2 years, I've worked with high school students to tackle challenging AP and IB Physics concepts, focusing on mechanics, electricity, and magnetism. I've helped students improve their academic performance and prepare for competitive exams, ensuring a deeper understanding of advanced topics.
