## Tutoring Experience

For 17 years, I've had the privilege of teaching and mentoring students in English Literature across AP, IB, and A-Level curricula. My focus has been guiding learners through complex texts and developing advanced essay-writing skills. I've supported students in preparing for exams, securing top marks, and gaining admissions to prestigious universities globally.

As an AP English Literature tutor, I've worked extensively with students on mastering literary devices, critical analysis, and structured writing. My expertise extends to teaching IB English Language and Literature, where I help students navigate Paper 1 commentaries and Extended Essay requirements, ensuring they exceed expectations.

Additionally, I've collaborated with international schools and tutoring academies, tailoring lessons to align with various curricula. I take pride in seeing my students grow in confidence and understanding, allowing them to explore literature's nuances while achieving their academic goals.
