🎓 Qualified Tutor | KAIST | MSc in Computer Science

An MSc in Computer Science from KAIST and a BSc in IT from Seoul National University underpin my 8 years of experience teaching AP Computer Science, IB Computer Science, and IGCSE Computer Science, with a focus on programming, data structures, and software engineering.

Teaches: AP Computer Science IB Computer Science IGCSE Computer Science

Curriculum: AP IB IGCSE

Qualifications

KAIST: MSc in Computer Science (2014–2016)

Seoul National University: BSc in Information Technology (2010–2014)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 8 years, I have taught Computer Science to students from diverse educational backgrounds. My expertise lies in preparing students for AP Computer Science Principles and A, as well as IB and IGCSE Computer Science courses. I've guided learners through complex programming topics like Java, databases, and operating systems, helping them achieve outstanding academic results.
